Rustler 36

Particularly beautiful example of the very seaworthy Rustler 36. This ship is from the first owner and is sailed and maintained with lots of love. The boat is in excellent condition and looks very neat. The Rustler 36 has been chosen by several Golden Globe Race sailors because of its reliability and fantastic sailing characteristics. The interior is spacious and equipped with 5 sleeping places. There are also 2 additional hanging beds in the salon that can be easily installed. The modern bathroom is made entirely of polyester so there can be showered. The VAT has been demonstrably paid.
