## Bavaria 34 Cruiser

### Bavaria 34 Cruiser

Beautiful, spacious and very easy to maneuver sailing yacht. The line of the Cruiser was developed by Farr Yacht Design. The layout by the experienced development team of Bavaria Yachts. With her great sailing characteristics and attractive spacious cockpit with 2 steering positions, the Bavaria 34 offers great comfort. The sails can be controlled from the cockpit. Because of her shallow keel, the Bavaria 34 is ideal for sailing on the Frisian Lakes. The yacht is particularly safe due to the new Bavaria VacuTec. This gives extreme stability because deck and hull are both screwed and additionally glued. The Bavaria 34 is a 3-cabin version and offers below deck all the space for 6 people. The salon is very spacious and light because of the huge portholes and windows. In short, beautiful ship and ready to go!
